Revise and resubmit
all the gritty details

Categories of acceptance

- Minor revisions
- Major revisions
- **Revise and resubmit**
- Reject

How not to be overwhelmed

- Categorize revisions by meta level, general and detailed (minor).
- Classify each of the major reviewer requests under the above headings.
- You do not have to make all the changes (you have agency).
- Write the resubmit letter as you go...

If in doubt, make a list

- High level changes
- Intermediate level changes
- Reviewer 1, reviewer 2, reviewer n
- Then put the name of the relevant author after each revision point

What to include in resubmission

- Response to reviewers
- Letter to editor

The punching clown

- Be prepared to be knocked down.
- But get back up.
