Poster Session Schedule: Saturday March 11, 2023

Session Times: 10am-10:30am

12:30pm-1:00pm 2:30pm-3:00pm

Location: Outside B101 and Alumni Hall (B201)

Contaminant sediment transport and entrapment in gravel-hed	
Neighbourhoods in Surrey, BC Surficial geology and permafrost mapping in the Fort Good Hope area, NWT A Glacier Survival Assessment of Isosceles Glacier in Garibaldi Park, British Columbia Brayden Gray-Bowyer Mount Mariner Glacier Study Thompson River Maria Hernandez Rojas Abnormal behaviour Diavolo Glacier Thompson River Cariboo Mountains, British Columbia Kathleen Moore Retreat of an Unnamed Glacier in Stave River Watershed, Garibaldi Provincial Park Matija Tadic Accelerated Retreat of Taleomey Glacier Thompson River 10 Oscar Vega Will Moffat peak Glacier survive recent climate? Thompson River 11 Greg Fortune Recession of the Keyhole Glacier, Baffin Island, Nunavut Thompson River 12 Heidi Wismath Assessing and Evaluating Representations of BC in Tourism Thompson River 13 Natalie Krizan Glaciological Sites in the Castle Provincial Parks University of Let Watershed Based on Gridded SPI and SPEI University of Let Gataloguing of rock glaciers in dissimilar regions of the Mackenzie Mountains: Testing for possible semi-automated detection of rock glaciers using topographic data 16 Shiyan Jing CO ₂ levels and indoor air quality in UNBC classrooms University of No	50
area, NWT A Glacier Survival Assessment of Isosceles Glacier in Garibaldi Park, British Columbia Brayden Gray-Bowyer Mount Mariner Glacier Study Thompson River Maria Hernandez Rojas Abnormal behaviour Diavolo Glacier Thompson River Valikhan Kussainov The stability and likelihood of survival of the Cree Peak glacier, Cariboo Mountains, British Columbia Retreat of an Unnamed Glacier in Stave River Watershed, Garibaldi Provincial Park Matija Tadic Accelerated Retreat of Taleomey Glacier Thompson River Mill Moffat peak Glacier survive recent climate? Thompson River Greg Fortune Recession of the Keyhole Glacier, Baffin Island, Nunavut Thompson River Heidi Wismath Assessing and Evaluating Representations of BC in Tourism Thompson River Assessing and Evaluating Representations of BC in Tourism Thompson River Glaciological Sites in the Castle Provincial Parks University of Let Roya Mousavi Historical Analysis of Drought in the South Saskatchewan Watershed Based on Gridded SPI and SPEI Cataloguing of rock glaciers in dissimilar regions of the Mackenzie Mountains: Testing for possible semi-automated detection of rock glaciers using topographic data CO ₂ levels and indoor air quality in UNBC classrooms University of No	niversity
British Columbia Brayden Gray-Bowyer Mount Mariner Glacier Study Thompson River Mount Mariner Glacier Study Thompson River Abnormal behaviour Diavolo Glacier Thompson River The stability and likelihood of survival of the Cree Peak glacier, Cariboo Mountains, British Columbia Retreat of an Unnamed Glacier in Stave River Watershed, Garibaldi Provincial Park Accelerated Retreat of Taleomey Glacier Thompson River Mull Moffat peak Glacier survive recent climate? Thompson River Mill Moffat peak Glacier, Baffin Island, Nunavut Recession of the Keyhole Glacier, Baffin Island, Nunavut Heidi Wismath Assessing and Evaluating Representations of BC in Tourism Heidi Wismath Assessing and Evaluating Representations of BC in Tourism Natalie Krizan Glaciological Sites in the Castle Provincial Parks University of Let Watershed Based on Gridded SPI and SPEI Cataloguing of rock glaciers in dissimilar regions of the Mackenzie Mountains: Testing for possible semi-automated detection of rock glaciers using topographic data Co ₂ levels and indoor air quality in UNBC classrooms University of No	rs University
Abnormal behaviour Diavolo Glacier Thompson River The stability and likelihood of survival of the Cree Peak glacier, Cariboo Mountains, British Columbia Retreat of an Unnamed Glacier in Stave River Watershed, Garibaldi Provincial Park Matija Tadic Accelerated Retreat of Taleomey Glacier Greg Fortune Recession of the Keyhole Glacier, Baffin Island, Nunavut Thompson River Recessing and Evaluating Representations of BC in Tourism Thompson River Glaciological Sites in the Castle Provincial Parks University of Let Watershed Based on Gridded SPI and SPEI Cataloguing of rock glaciers in dissimilar regions of the Mackenzie Mountains: Testing for possible semi-automated detection of rock glaciers using topographic data University of No Contaminant sediment transport and entrapment in gravel-bed	rs University
The stability and likelihood of survival of the Cree Peak glacier, Cariboo Mountains, British Columbia Retreat of an Unnamed Glacier in Stave River Watershed, Garibaldi Provincial Park Matija Tadic Accelerated Retreat of Taleomey Glacier Mill Moffat peak Glacier survive recent climate? Thompson River Mill Greg Fortune Recession of the Keyhole Glacier, Baffin Island, Nunavut Heidi Wismath Assessing and Evaluating Representations of BC in Tourism Thompson River Matija Tadic Accelerated Retreat of Taleomey Glacier Thompson River Thom	s University
Cariboo Mountains, British Columbia Retreat of an Unnamed Glacier in Stave River Watershed, Garibaldi Provincial Park Matija Tadic Oscar Vega Will Moffat peak Glacier survive recent climate? Thompson River Mill Moffat peak Glacier survive recent climate? Thompson River Provincial Park Mill Moffat peak Glacier survive recent climate? Thompson River Thompson R	rs University
8 Kathleen Moore Provincial Park 9 Matija Tadic Accelerated Retreat of Taleomey Glacier Thompson River 10 Oscar Vega Will Moffat peak Glacier survive recent climate? Thompson River 11 Greg Fortune Recession of the Keyhole Glacier, Baffin Island, Nunavut Thompson River 12 Heidi Wismath Assessing and Evaluating Representations of BC in Tourism Thompson River 13 Natalie Krizan Glaciological Sites in the Castle Provincial Parks University of Let 14 Roya Mousavi Historical Analysis of Drought in the South Saskatchewan Watershed Based on Gridded SPI and SPEI Cataloguing of rock glaciers in dissimilar regions of the Mackenzie Mountains: Testing for possible semi-automated detection of rock glaciers using topographic data 16 Shiyan Jing CO ₂ levels and indoor air quality in UNBC classrooms University of No	rs University
10 Oscar Vega Will Moffat peak Glacier survive recent climate? Thompson River 11 Greg Fortune Recession of the Keyhole Glacier, Baffin Island, Nunavut Thompson River 12 Heidi Wismath Assessing and Evaluating Representations of BC in Tourism Thompson River 13 Natalie Krizan Glaciological Sites in the Castle Provincial Parks University of Let 14 Roya Mousavi Historical Analysis of Drought in the South Saskatchewan Watershed Based on Gridded SPI and SPEI Cataloguing of rock glaciers in dissimilar regions of the Mackenzie Mountains: Testing for possible semi-automated detection of rock glaciers using topographic data 16 Shiyan Jing CO ₂ levels and indoor air quality in UNBC classrooms University of No	rs University
