

CAG Student Council's Report May 2017 – July 2018

My primary roles in my last term as Student Councilor included: 1) fielding questions concerning CAG specific items with individual members; 2) Creating website content for student members

1. I was in dialogue with students for a number of months preceding the student travel grant deadline (February 2018). These discussions pertained most often to questions about membership procedure, applying for the travel grant, and what is involved with the Student Councilor position.
2. Lead the discussion in providing online video for student CAG memberships to help increase student membership and to raise awareness of the benefits of becoming a member. The conclusion of the discussion was that each video will be of a different student member discussing their experience with CAG. This project will require a budget.

As outgoing student councilor, I will work towards the following for the 2018-2019:

1. Begin videos for CAG student memberships.
2. I will solicit student nominations for the Student Councilor position, which will begin in May 2019 and end in May 2021 (Student Councilors hold the position for two years).
3. I will work with the incoming councilor to update them on my activities to date. I will also update and hand over the CAG Student Councilor turnover package – a helpful resource that Bethany Coulthard (CAG Student Councilor, 2013-2015) created for incoming Student Councilor position.

Respectfully submitted,

Laurel Ann Muldoon
Student Councilor [2017-2019] Canadian Association of Geographers

MESc. Candidate
Department of Geography, Nipissing University
