Greetings GHHCSG members! As summer semesters conclude and many find themselves away from the computer right now, we are breaking from our usual format this month. The August Communiqué will help keep you aware of job postings and dates of note with additional content to return in September. As always, we would love to hear more about what all of our members have been doing. Send us your updates by the 15th of the month so we can include your exciting work in our next issue.
