Ministry of Environment and Climate Change Strategy North Vancouver (On-Site)

Park Ranger

\$52,803.18 - \$59,607.79 annually

The Park Ranger is responsible for maintaining facilities and delivering, monitoring and reporting on assigned recreation, conservation and extension services and activities within a park or group of parks. This position works in mountainous terrain in winter conditions and requires an intermediate to advanced level of skiing ability, experience travelling and recreating in the winter mountain environment and knowledge (such as avalanche safety) that allows Rangers to be safe while at work, which includes patrols in the backcountry, and keeping their team members safety a top priority. The Park Ranger's duties will also include managing park visitors, ensuring compliance with the Park Act and other applicable acts and regulations, taking enforcement actions to address non-compliance and responding to park emergencies.

Qualifications for this role include:

- Completed related degree or 2-year diploma in an Outdoor Recreation Management or a Natural Resource Management related field (related field may include: Biology, Geology, Geography, Recreational Planning, Outdoor Recreation, Forestry, Fisheries, Anthropology); OR,
- Secondary school graduation (or equivalent) and 2 years' related experience (related experience can include: park system (operations), conservation, outdoor recreation, forestry, any earth sciences, recreation planning, public safety /enforcement).

Mandatory Training and Certification:

- Current and WorkSafe BC recognized Occupational First Aid Level 1, 2 or 3 Certificate.
- Valid BC Class 5 Driver's Licence (or equivalent from another Canadian Province; a BC Class 7L/7N, or other learner's permit, are not considered equivalent).
- Successful completion of Enhanced Security Screening, including fingerprint screening.
- Completion of BC Parks Law and Its Administration (BCIT PRKS 1010 or 0010 course). This course can be obtained through the BC Institute of Technology (BCIT). Course information can be found at: <https://www.bcit.ca/study/courses/prks1010>.
- *Note: if you have already successfully completed the BCIT PRKS 3110/3120 courses, BCIT course 1010 is not required.
- Maintains a current Firearms Possession and Acquisition Licence.
- Possesses a Pleasure Craft Operator Card or higher marine certification issued by Transport Canada.
