

DERREK EBERTS

President's Award for Outstanding Service to the CAG

Throughout his academic career, Dr. Eberts has consistently performed service roles for the Canadian Association of Geographers. Dr. Eberts cares deeply for his profession and the number of service roles he has played, some simultaneously, is above and beyond the normal amount of service one might expect from a CAG member. We consider service in his regional division, the PCAG, to be part of all service to the CAG.

You will find a complete list of his service roles below, but highlights include acting as the Organizer of the PCAG Annual Conference in 2002, as well as helping with subsequent BU-hosted conferences, Secretary Treasurer of the PCAG, 2001-2010, Member of the CAG Awards Committee in 2018, President of the PCAG from 2013-2019, Secretary-Treasurer of the CAG, since 2023, and Member of the CAG Governance Committee, since 2024.

Below, you will find a total of sixteen different service roles Dr. Eberts has provided to the Canadian Association of Geographers. Not only does Dr. Eberts serve in these roles, but he is also very active in executing them, being a fully engaged participant in the responsibilities required. We, the nominators, believe this is a superb and laudable record of service and Dr. Eberts deserves to be awarded The President's Award for Outstanding Service to the Canadian Association of Geographers.
